Dear Irakli,

The trade union movement mourns the loss of an extraordinary trade union leader, Tamaz Dolaberidze, who passed away last Saturday.

An outstanding trade unionist, renowned for his strategic thinking, courage and militancy, beloved brother and comrade for many colleagues, he inspired all around him, be it at the enterprise, sector, national or international level. It is an enormous loss for all of us. Many in the region of PERC learned how to be a union leader by taking inspiration from **Tamaz's personal and professional life, his fights and his trade union victories** which the Georgian and international trade union movements can be so proud of.

We are sending our heartfelt condolences to you, all sisters and brothers of the GTUC, and to his family.

Yours sincerely,

Owen Tudor
Deputy General Secretary
