Dear colleagues,

We received sad news that SSM President Darko Dimovski passed away few days ago. On behalf of the PERC and the ETUC and all the organisations from Europe we express our deepest condolences. Brother Darko was committed trade unionist, who fought for workers' rights in North Macedonia and the region, not hesitating to call for militant actions in support of interests of workers, promoting decent salaries, health and safe labour conditions, adequate social protection, collective bargaining and social dialogue.

Trade union movement of Europe mourns with SSM. We ask you to convey our sympathy to the relatives, colleagues and all beloved ones of Darko.

In solidarity,

Esther Lynch
General Secretary
ETUC and ITUC PERC

Irakli Petriashvili
President
ITUC PERC
