ITUC Solidarity with GTUC Railway Workers' Union

Dear Brother Petriashvili,
Dear Colleagues

We have been keeping abreast of the courageous protest activities of the railway workers' union and would ask you to convey to these brave men and women the ITUC's appreciation and deepest solidarity.

During the last few years, we have witnessed the remarkable mobilisation of Georgian unions and their members for better wages, working conditions, and for their rights.

We salute the courage and determination your members continue to display in the face of cowardly threats and attempts at intimidation by the administration.

We stand ready to promote your just cause and to put our collective means at your service. Please be assured of our continuous support and solidarity.

Yours in solidarity,
